☐ FREE BULKY COLLECTION

SMECTOM collects bulky items from your kerb free of charge, once a year, by appointment. Call before you hire a van.

☐ WHEN YOU ARE DONE

Jars and bottles you no longer need go to the blue bin, lids off

☐ FREE SHREDDER LOAN

Branches become mulch or compost brown material. The shredder is lent free – one hour of training before the first loan.

☐ TEXTILE BANK

Clothes past wearing – the bank takes them holed and torn, as long as they are clean and dry

BEFORE YOU DROP IT IN

Ask before you bin it. Would anyone take this if it were offered free?

SMECTOM gives advice. On sorting and on the alternatives to throwing away.

Item list from **SMECTOM du Plantaurel – Mémo Tri 2026**. Handling rules are the national French sorting instructions. Colours match **our bin lids** – yellow recyclables, green trash, blue glass – not the mémo's own legend, which colours glass green and paper blue.
